Wear parts which set standards

For decades, C.A.PICARD® has been counted among the world's best manufacturers of wear parts for specialist industries. Our knowledge of materials is based on our history - since the founding of our company in 1876, we have been ideally combining experience, know-how and development. The requirements on our production have ensured our on-going development. Our highly-qualified employees use state-of-the-art machining procedures. The results speak for themselves: We produce precise and highly wear-resistant parts and equipment, which meet the highest of demands.

Experience. Know-how. Development.
The three pillars for proficiency and success.

The OEM standard is a matter of course of us.
We demand precision.
